Ethan Landrum-Denby — ATX Neo-Nazi, 211 Bootboys, Atomwaffen Division Sympathizer

📅 On 25 Sep, 2019 👤 By [fashfinder](#) 💬 With Comments Off on Ethan Landrum-Denby — ATX Neo-Nazi, 211 Bootboys, Atomwaffen Division Sympathizer

On the chopping block today (literally and figuratively), we have Mr. Ethan Alexander Landrum-Denby, neo-nazi "Third Positionist" in the Austin white power O! (neo-nazi punk) music scene. A truly upstanding member of society. His Instagram username is red.area and it looks like he scrubbed his Facebook since we released his doxx on Twitter a couple weeks ago. He was born on 12/26/1994, so currently he's 24, about to be 25.

His current address based on his criminal record is **6903 Deatonhill Drive**, Austin TX, which looks like it's Fagstone

Apartments near W am Cannon Dr n South Aust n. H s voter reg strat on states he s v ng at 2958 Lagerway Cv, Aust n TX but th s may just be h s father and step mother's address he s us ng for t. We assume he s reg stered as a repub can cons der ng h s quest onab e "v ews". No updated deta s on h s veh c e yet, but we have a st of them we are comb ng through to determ ne wh ch one be ongs to h m, a though we know h s father s reg stered to t. As ment oned above, he got a DWI n 2017, and t ooks ke h s cense may have been suspended for a per od of t me.

He a so has a g r fr end named **LeAnn Blackwell**, p ctured both above and be ow, who LARPs on her nstagram (poss b y de eted s nce we re eased th s) as a Swed sh tradw fe (trad t ona w fe cu ture of wh te women who endorse and part c pate n naz sm) seems to condone and even endorse h s v ews, cons der ng she spends the most t me w th h m. She s a so p ctured be ow w th some fr ends throw ng up the "OK" symbo , wh ch was co-opted by wh te nat ona sts and naz s as a s gn of "wh te power". The poor g r on the eft has no dea c eary. LeAnn a so attends St. Edwards Un vers ty, and s set to graduate n 2020. I wonder what cou d be done about that? You wou d th nk Ethan wou d be a t e more d screte about h s v ews, but as a naz n the US, he s extreme y comfortab e w th h s v ews. He s a so what we deem a "s egebro" n reference to James Mason's book "S ege" that many neo-naz acce erat on st terror organ zat ons use as the r b b e and man festo to comm t "one wo r" acts of terror on commun tes to provoke a "race war" n the Un ted States, Canada, South Afr ca, and Russ a/Ukra ne. These organ zat ons nc ude Atomwaffen D v s on n the Un ted States, and The Base n Canada and South Afr ca, who tend to over ap w th one another. We don't know for sure f Landrum-Denby s n these organ zat ons, but we know for sure he ves by the r convo uted set of

values and expresses great sympathies with them.

When he's not posting short essays with his AK-47 and representing terrorist groups, Ethan can be found pouring his

white supremacist hatred into a crypto-fascist music project called Blackwatch. He's currently in the white power O! band "Utras" and "The Wilderness". There's on y so many chords you can pay about hating jews and black people. 0/10 would not recommend.

C

From the looks of it, he's currently or was previously working with his father, Christopher Allen Denby, at his business in LaGrange called "Hemock and Heather". Their website is hemockandheather.com

They also manufacture wall decor for West Elm. Their corporate office number is 888-922-4119.

C

He also frequents Lone Star Gun Range in Lockhart, Texas to practice. Comrades, be aware of this whenever you are in your presence and make sure to document it when you see it.

Landrum-Denby has some notable tattoos to look out for if you're out and about and run into this experienced member of a human.

Some readings posted by Landrum-Denby himself give us some clear insights into his interests and hobbies. Notice the lack of self-help and self-improvement readings on here.

His Instagram doesn't just include racist tattoos and insane dog whistles to Nazis and fascist ideology, he threatens girlfriends, fascist men and admits to being a fascist and representing the fascist aesthetic. He even has a "Deus Vu t" tapestry, which means "God Wins It", a phrase coined during the Catholic Crusades that was co-opted by white nationalists in recent years as a man festo to target women, minorities, and LGBTQ+ folks.

C

Ethan considers himself to be a Third Positionist, which has a particular focus on ecofascism. For the uninitiated, Third Positionism "advocates of *Third Position* politics typically present themselves as "beyond left and right" where syncretizing ideas from each end of the political spectrum, usually reactionary right-wing cultural views and radical left-wing economic views." It combines racism/antisemitism with social or economic beliefs such as environmentalism. Don't even know how these people keep their heads from spinning off their bodies with the amount of contradiction.

In particular, Landrum-Denby is inspired by a 20th-century philosopher who advanced the concept of "involution" (reverse-evolution) whereby white people, as the perfect ones, are the ancestral forebears of "degenerated" people of color and of course animals. In his since-deleted interview, Ethan (under the pseudonym "Back Bomber") waxed poetic like a true right pseudo-intellectual about Evo who, by the way, 19th-century European fascism didn't go far *enough*. Basically it doesn't matter what this chud calls himself, he's a fucking naz. Here are some excerpts from the interview:

Black Bomber Interview

February 24, 2019

PSR: How did you come up with your band name?
what does it mean?

BB: The band name was inspired by two things: my favorite jacket: a black alpha industries bomber, and the Serbian patriotic song Crni Bombarder (Black Bomber) by Roki Vulovic, from the era of the NATO bombing of Yugoslavia. It also echoes the name of my main power electronics project, Blackwatch. Beyond this, there is no other meaning to the band name.

BB: There are a couple of different things that people are generally referring to by the word "traditionalism." There is what I and some others in certain circles call "capital T Traditionalism," which is basically the metaphysical and philosophical school of thought associated with Rene Guenon and Julius Evola, among others. The topic of Guenon's works is very deep and complex, and far from something I am able to speak authoritatively on, but I am considerably more familiar with Evola. His books are certainly worth a read for anyone intrigued by him, in particular I find myself often going back to re-read his writings on polar metaphysics and critiques of America/Americanism. all that said, I don't consider myself and adherent to "capital T Traditionalism." My ideas of traditionalism

To nobody's surprise at all, Ethan has a slew of fascist and neo-naz friends (they're like cockroaches people, when there's one there's many) who you should probably know more about, starting with these overly vindictive 211 Bootboys' neo-naz skinhead gang symbols in NY (they also have 211 Bootboys tattoos) who were partly responsible for the attack on anti-fascist protestors alongside Proud Boys terrorists outside the Republican Club where Gavin McInnes was speaking. The project "Blackwatch" also has a track called "Balkans Boot Boys" so we can assume they have an association to them as depicted from this image.

We also wanted to cue y'all in to a couple of his friends, the first one being David Aguilar, who's friends with Ethan. Pictured below on the left we can see Aguilar next to Landrum-Denby at Twisted Sisters Cantina in San Antonio on 09/13/2019, so fairly recent y. Aguilar, who's known to make bootleg neo-nazi back meta shirts, is also in a band called Zusammenbruch with Ethan's bff Corey Pckens. Heads up Aguilar — they would gas you too if they had the chance.

We have a couple more names, including the likes of Rick Flores and Rusty Kelly. We DO know that Ethan and Rusty have been seen in venues such as 523 Thompson, Lost We, and Cheer Up Charles, all of which they have been effectively banned as recently as two weeks ago when we released this doxx. They were also banned because they exhibited violent behavior or by getting into fistfights in a couple of these places. Good on them for doing the right thing. We will find out what other venues they have or will be performing at to make sure they are run out of Austin.

Another *INTERESTING* partner in the Austin neo-nazi music scene is Rusty Kelly, also friends with Landrum-Denby and whom works on the Blackwatch project with him. He has quite the resume! He is a spoiled rich kid, D-list actor, and the son of the Austin School of Film co-founder, Anne Goetzmann Kelly. Go to his Instagram to see this weirdass video of him trying to convince us "Iron Gates" is funny. We're done with flexes.

The weird and disturbing continues with Rusty Kelly choking his girlfriend on stage during a performance of his one-man band "Breathing Problem" (can we recommend "mental abort on" instead?). He also happens to be Ethan's sugar daddy,

pump ng thousands of do ars into v ny and merchand se for the r B ackwatch project.

UPDATE: Looks ke we got Ethan's and Rusty's attent ons w th our doxxes of them. Ethan scrubbed h s facebook and made h s instagram red.area pr vate. He a so de eted a few mages a ud ng to h s fasc sm, a coup e of them nc ud ng Ethan's band pay ng w th a neo-fasc st band named Vapaudenr st , named after *Vapaudenristin ritarikunta*, wh ch means "Order of the Cross of L berty" wh ch were s m ar F n and rend t ons to the German Iron cross that were presented to naz s and other fasc st forces n WWII. Th s band spec fica y be eves n opt cs of a fasc st movement, so they draw n apo t ca crowds to accept the r fasc st deo ogy of " njust ce, h erarchy, and v o ence."

C

Landrum-Denby and Ke y are both pretty upset that the r sh tly fasc st v ews got them banned from perform ng and patron ng some oca venues, but spare us the crocod e tears. Here s Ethan cry ng a over h s nstagram.
